

**Annex 25****Registration****Scope of the review on
“Sichuan Chenjiaheba 20 MW Hydropower Project” (1589)**

1. The Board agreed to undertake a review of the project activity “Sichuan Chenjiaheba 20 MW Hydropower Project” (1589).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review of the additionality of the project activity through an assessment of the:
 - (a) independent validation of input values to the investment analysis in line with the requirements of EB 38 paragraph 54(c), and
 - (b) common practice analysis, in particular, (i) how a hydro project with installed capacity less than 15 MW is different than the project activity, and (ii) what was the power policy reform in China in 2002 and how it has affected the investment climate for the hydro sector.
