

Annex 29

Registration

**Scope of the review on
“AARTI CDM CPP” (1649)**

1. The Board agreed to undertake a review of the project activity “AARTI CDM CPP” (1649).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review of the application of the baseline methodology, through an assessment of the means of validation of the *ex-ante* emission factor.
