

**Annex 37****Registration****Scope of the review on
“Waste Heat Recovery and Utilisation for Power Generation Project of Jiande Conch Cement
Company Limited” (1674)**

1. The Board agreed to undertake a review of the project activity “Waste Heat Recovery and Utilisation for Power Generation Project of Jiande Conch Cement Company Limited” (1674).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review of:
 - (a) additionality of the project activity through an assessment of the (i) suitability of the benchmark, in particular, whether it has been applied for similar projects with similar risks, and (ii) suitability of the input values, and
 - (b) application of the baseline methodology, through an assessment of the economic comparison of the alternatives that do not face prohibitive barriers, in particular, the application of the fixed input values used in the economic comparison.
