

**Annex 69**

**Issuance**

**Scope of the review on**

**“Energy Efficiency Measures At Paper Production Plant” (0932)**

1. The Board agreed to undertake a review of the project activity “Energy Efficiency Measures At Paper Production Plant ” (0932).
2. The Board agreed that the scope of the review relating to issues associated with verification requirements shall cover An assessment to determine how the DOE verified that the baseline electricity emission factor has been calculated in line with the provision of the applied methodology and whether the increased electricity consumption due to expansion of pulp plant impact the calculation of electricity emission factor.
