

**DRAFT WORK PROGRAMME - SMALL SCALE WORKING GROUP -
THIRD MEETING**

UNFCCC Headquarters - Bonn, 12 – 13 September 2005

Monday, 12 September 2005

9:00 – 10:30	<p>(1) Welcome and adoption of agenda</p> <p>(2) Brief update from the last Executive Board meeting (Chair and Vice Chair)</p> <p>(3) Detailed bundling guidelines for the two bundling cases: (a) same type, same category and technology/measure; (b) same type, same category and different technologies/measures.</p> <p>(4) Technical implications regarding the possible bundling for the two bundling cases: (a) same type, different categories and technologies/measures; (b) different types.</p> <p>(5) Bundling related submissions: (i) SSC_013 “Bundles of small-scale CDM projects vs. large-scale CDM projects”. (Worldbank) (ii) SSC_026 “Determining the occurrence of bundling”. (Worldbank)</p>
<i>Break</i>	
10:45 – 13:00	<p>(6) Definitions of renewable biomass (a) SSC_018 “Reducing non-renewable wood energy...”. (FAO) (b) Inputs by A/R WG</p> <p>(7) Discussion on submissions and answers for small scale methodologies: (a) Threshold issues (i) SSC_022 “Request for guidance on interpretation of 45 MW_{Th} threshold”. (SGS) (ii) SSC_029 “Definition of clarification of 15 G Wh/yr threshold...”. (Naoki Matsuo-2)</p>
<i>Lunch</i>	
14:30 – 16:00	<p>(7) Discussion on submissions and answers for small scale methodologies (<i>continuation</i>) (b) Methane issues (i) SSC_015/SSC_025 “Avoidance of methane production from biomass decay through composting”. (Worldbank) (ii) SSC_024 “Recovery of methane from biomass decay through waste treatment”. (Worldbank) (iii) SSC_020 “CCP Wastewater Project in the Philippines”. (Mitsubishi Securities)</p>
<i>Break</i>	
16:15– 18:00	<p>(7) Discussion on submissions and answers for small scale methodologies (<i>continuation</i>) (c) Type I: Renewable energy projects (i) SSC_016 “Request for clarification on I.A., I.D...”. (DNV) (ii) SSC_021 “Interpretation of AMS I.D.”. (SGS) (iii) SSC_028 “ASM.I.D. –Renewable electricity for a grid”. (KPMG) (iv) SSC_017 “Increase in generation of an existing hydro-electricity facility...”. (Tuev Sued) (v) SSC_023 “Changing the typology I.C.”. (South South North)</p>

Tuesday, 13 September 2005

9:00 – 10:30	(7) Discussion on submissions and answers for small scale methodologies (<i>continuation</i>) (d) Type II activities: Energy efficiency improvement projects (i) SSC_019 “Behaviour-oriented demand-side energy efficiency programmes in the transport sector”. (Factor Consulting) (e) Type III activities: Other project activities (i) SSC_014 “Avoidance of thermal energy input in small-scale industrial processes”. (Worldbank) (ii) SSC_027 “Type III - other project activity”. (Jaco) (iii) SSC_030 “AMS-III. Types”. (Naoki Matsuo 1)
<i>Break</i>	
10:45 – 14:00	(8) Presentation of outstanding answers to submissions for small scale methodologies
<i>Lunch</i>	
14:30 – 16:00	(8) Presentation of answers to submissions for small scale methodologies (<i>continuation</i>)
<i>Break</i>	
16:15– 17:30	(9) Other matters – Schedule of meetings in 2005/2006 (10) Adoption of report and close of meeting
