

## Statement on the Modalities for Communicating with the UNFCCC Executive Board and the UNFCCC Secretariat

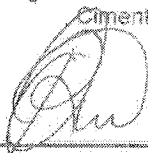

As indicated in the procedures for Registration of a Proposed CDM Project Activity, the Project Participants, as defined in the PDD, agree that the people mentioned below shall serve as the focal point for all communications with the UNFCCC Executive Board and the UNFCCC Secretariat with regard to the "Production of blended cement with blast furnace slag at Cimento Mizu".

This Statement shall be valid until a new Statement signed by all Project Participants superseding this Statement has been submitted to the UNFCCC Executive Board and the UNFCCC Secretariat.
