

LETTER OF APPROVAL

To: *The Executive Board of the Clean Development Mechanism of the Kyoto Protocol-office of the Secretariat of the UNFCCC*

Mr. Mohamed ELYAZGHI, Minister of Land Use Management, Water and Environment, as the appointed Designated National Authority of Morocco for the Clean Development Mechanism (CDM), the authority in charge the issuance of the present Letter of Approval.

Referring to : Essaouira wind power project, hereinafter to be referred to as "the CDM project activity", to be implemented in the city of Essaouira by the National Office of Electricity hereinafter to be referred to as "the project participants"

Declares that :

Morocco has ratified the Kyoto Protocol becoming a Party to it, by Law (Dahir) N° 1- 01- 333 on the 3rd April of 2002.

The Moroccan Designated National Authority confirms its participation in the CDM on a voluntary basis.

The Designated National Authority of Morocco confirms that the present project contributes to the sustainable development of the country.

The Moroccan Designated National Authority authorizes the project participants to participate in the CDM project activity.

The Moroccan Designated National Authority confirms that the project activity, as proposed, is in compliance with all relevant Host Country national laws;

The Moroccan Designated National Authority agrees to the transfer of any Certified Emissions Reductions (CER) accruing from the CDM project activity, assigned to the project participants, in accordance to the contractual arrangements between any project participants, and the national laws and regulations governing the distribution of benefits in the CDM, to the accounts opened for the project participants in the Executive Board registry, during the crediting period of the CDM project of 10 years.

Signed for the Government of Morocco in Rabat city :
