**Statement on the Modalities of Communication
With the CDM Executive Board and the UNFCCC Secretariat**

The project participants undersigned agree that Sumitomo Corporation shall serve as the focal point for all communications concerning the "PT. BUDI ACID JAYA Tapioca Starch Production Facilities Effluent Methane Extraction and On-site Power Generation Project in Lampung Province, Republic of Indonesia" with the CDM Executive Board and the UNFCCC Secretariat, including the communications pertaining to the allocation of Certified Emission Reductions (CERs).

Instructions regarding allocation of CERs upon issuance will be made by Sumitomo Corporation or by a project participant to be appointed by a new statement on the Modalities of Communication with the CDM Executive Board and the UNFCCC secretariat signed by all participants.

This statement shall be valid until a new statement superseding this statement, and agreed to by the undersigned, has been submitted to the CDM Executive Board and the UNFCCC secretariat.

All communication from the CDM Executive Board and the UNFCCC secretariat in relation to the Project, including issuance and distribution of CERs should be addressed to:

Tsuyoshi OGATA
Industrial Performance Materials Dept.
