Addendum to Statement for the Modality of Communication

The International Bank for Reconstruction and Development as Trustee of the Prototype Carbon Facility in the **Colombia- Jepirachi Wind Power Project – Project 0194** (the “Project”) agree the entities identified in the annex to this addendum to be added as project participants to the Project.

The International Bank for Reconstruction and Development as Trustee of the Prototype Carbon Facility is the focal point for the **Colombia- Jepirachi Wind Power Project – Project 0194** (the “Project”) with respect to all communications with the Executive Board and the United Nations Framework Convention on Climate Change, including, without limitation to instructions regarding allocation of certified emission reductions (CERs) upon issuance of CERs.

This statement shall be valid until a new Statement superseding this Statement has been submitted to the Executive Board and the UNFCCC Secretariat.

The undersigned Project Participant hereby grants an irrevocable power of attorney to the Trustee with regard to adding new project participants to the Project and/or withdrawing the project participant from the Project.

Joëlle Chassard
Manager, Carbon Finance Unit
