Statement of the Modalities of communicating with the UNFCCC-Executive Board and the UNFCCC Secretariat

The project participants agree that Klimaschutz e.V. shall serve as the focal point for all communications - with regards to the CDM Solar Cooker Project Aceh 1 in Indonesia - with the Executive Board and the UNFCCC Secretariat, in particular on the allocation of Certified Emission Reductions (CERs) issued as a result of the mentioned project activity.

The Statement shall be valid unless another substituting new Statement concerning Modalities of Communicating is issued and submitted to the Executive Board and the UNFCCC Secretariat.

Additionally to the submitted statement, Klimaschutz e.V. confirms, that any information and correspondence with UNFCCC will be provided by Klimaschutz e.V. in copy to PT Petromat Agrotech

This confirms

Klaus Trifellner
On behalf of Klimaschutz e.V.

Rudi Wahyudi
on behalf of PT Petromat Agrotech
