1	144	860	ge	How to guarantee "The AE/DOE shall act impartially and avoid any conflict of interest that may compromise its ability to make impartial decisions." if AE/DOE is directly contracted by CDM PP? Considering the increasing number of AE/DOE and less CDM PA, AE/DOE is going to repeat and strengthen the argument from CDM PP during validation and verification process to maintain business growth in the fierce competition.	To avoid compromise in impartial decision, direct contract with AE/DOE shall be forbidden and each individual instead of AE/DOE shall be accredited as verifier in order to carry out validation and verification in an impartial way.
