Re.: Request for Review of the Additionality of CDM Project 5027: Zhejiang Jiaxing Ultra-supercritical Power Generation Project

Dear Ms. Filzmoser, dear Mr. Herz,

Thank you for your letter received on 2 February 2012, which has been made available to the Chair of the Board.

Thank you for communicating your concerns and for the comments provided regarding the request for registration of "Zhejiang Jiaxing Ultra-supercritical Power Generation Project" (Ref. No. 5027). The Board appreciates that you bring to its attention questionable matters of project activities that may indicate that the projects are not in compliance with the CDM rules and procedures. I wish to inform you that three members of the Board have requested a review of this project in accordance with the *Procedure for requests for registration of proposed CDM project activities*, and thus this case is now under request for review state.

The request for review forms indicating the reasons for requesting review are publicly available at: <https://cdm.unfccc.int/Projects/review.html>. The validating DOE and project participants must provide responses to the issues identified in the requests for review, the case shall be duly assessed and a final decision shall be made in accordance with the *Procedure for review of requests for registration*.

Thank you once again for contacting the Board with your concerns and requests.

Yours sincerely,

Andrew Howard
Secretary to the CDM Executive Board
