**Re.: Choice of Time for definition of MP**

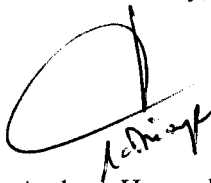

Dear Mr. Phillips,

Thank you for your letter received on 17 April 2012, which has been made available to the Chair of the Board.

On behalf of the Chair of the Board, I would like to thank you for your submission. Based on the review of your request, we would like to inform you that your concerns about the validation requirements of the Monitoring Plans have been shared with the team in charge of the Project Standard and will be taken into consideration when the "Clean development mechanism project standard" (PS) and the "Clean development mechanism validation and verification standard" (VVS) is revised.

I hope this letter suitably addresses all your concerns.

Yours sincerely,

*o.c* 

Andrew Howard  
Secretary to the CDM Executive Board
