Re.: Western Sahara and the CDM-UNFCCC Foun el Oued Windfarm Project

Dear Ms. Eyckmans,

Thank you for your letter received on 16 May 2012, which has been made available to the Chair of the Board.

On behalf of the Chair of the Board, I would like to inform you that the publication of a Project Design Document on the UNFCCC website does not mean that the project will be validated, nor that it will be registered by UNFCCC. However, I also would like to inform you that, as you can see on the validation webpage (<http://cdm.unfccc.int/Projects/Validation/index.html>), the validation contract of the Foun el Oued Windfarm Project has been terminated.

I hope this letter suitably addresses all your concerns.

Yours sincerely,

Andrew Howard
Secretary to the CDM Executive Board
