**Re.: Request for issuance of CPAs included in a registered PoA**

Dear Ms. Nagai,

Thank you for your letter received on 21 August 2012, which has been made available to the CDM Executive Board.

On behalf of the Chair of the Board, I would like to inform you that as per paragraph 184 of the *CDM Project Cycle Procedure (Version 2.0)*, a request for issuance shall relate to all component project activities (CPAs) included in the programme of activities (PoA) during the specified monitoring period. Therefore, CPAs included in the PoA cannot request issuance in different times.

When requesting issuance, monitoring reports for all the CPAs included in the PoA at the time of the request shall be submitted. Therefore, if more than one CPA is included in the PoA, the request for issuance of only one CPA is not possible.

If the CPA which has already been included in the PoA did not perform during the monitoring period considered in the request for issuance, a monitoring report should be nevertheless submitted for this CPA. It is not possible to request issuance of this specific CPA in a different period from the other CPAs included in the PoA.

I hope this letter suitably addresses all your concerns.

Yours sincerely,

Andrew Howard  
Secretary to the CDM Executive Board
