

Introducing RCC – Introduction of the workshop

ASIA PACIFIC REGIONAL WORKSHOP ON INTEGRATING
MARKET MECHANISMS TO THE IMPLEMENTATION OF
INDCs/NDCs

Bangkok, 15 February 2016

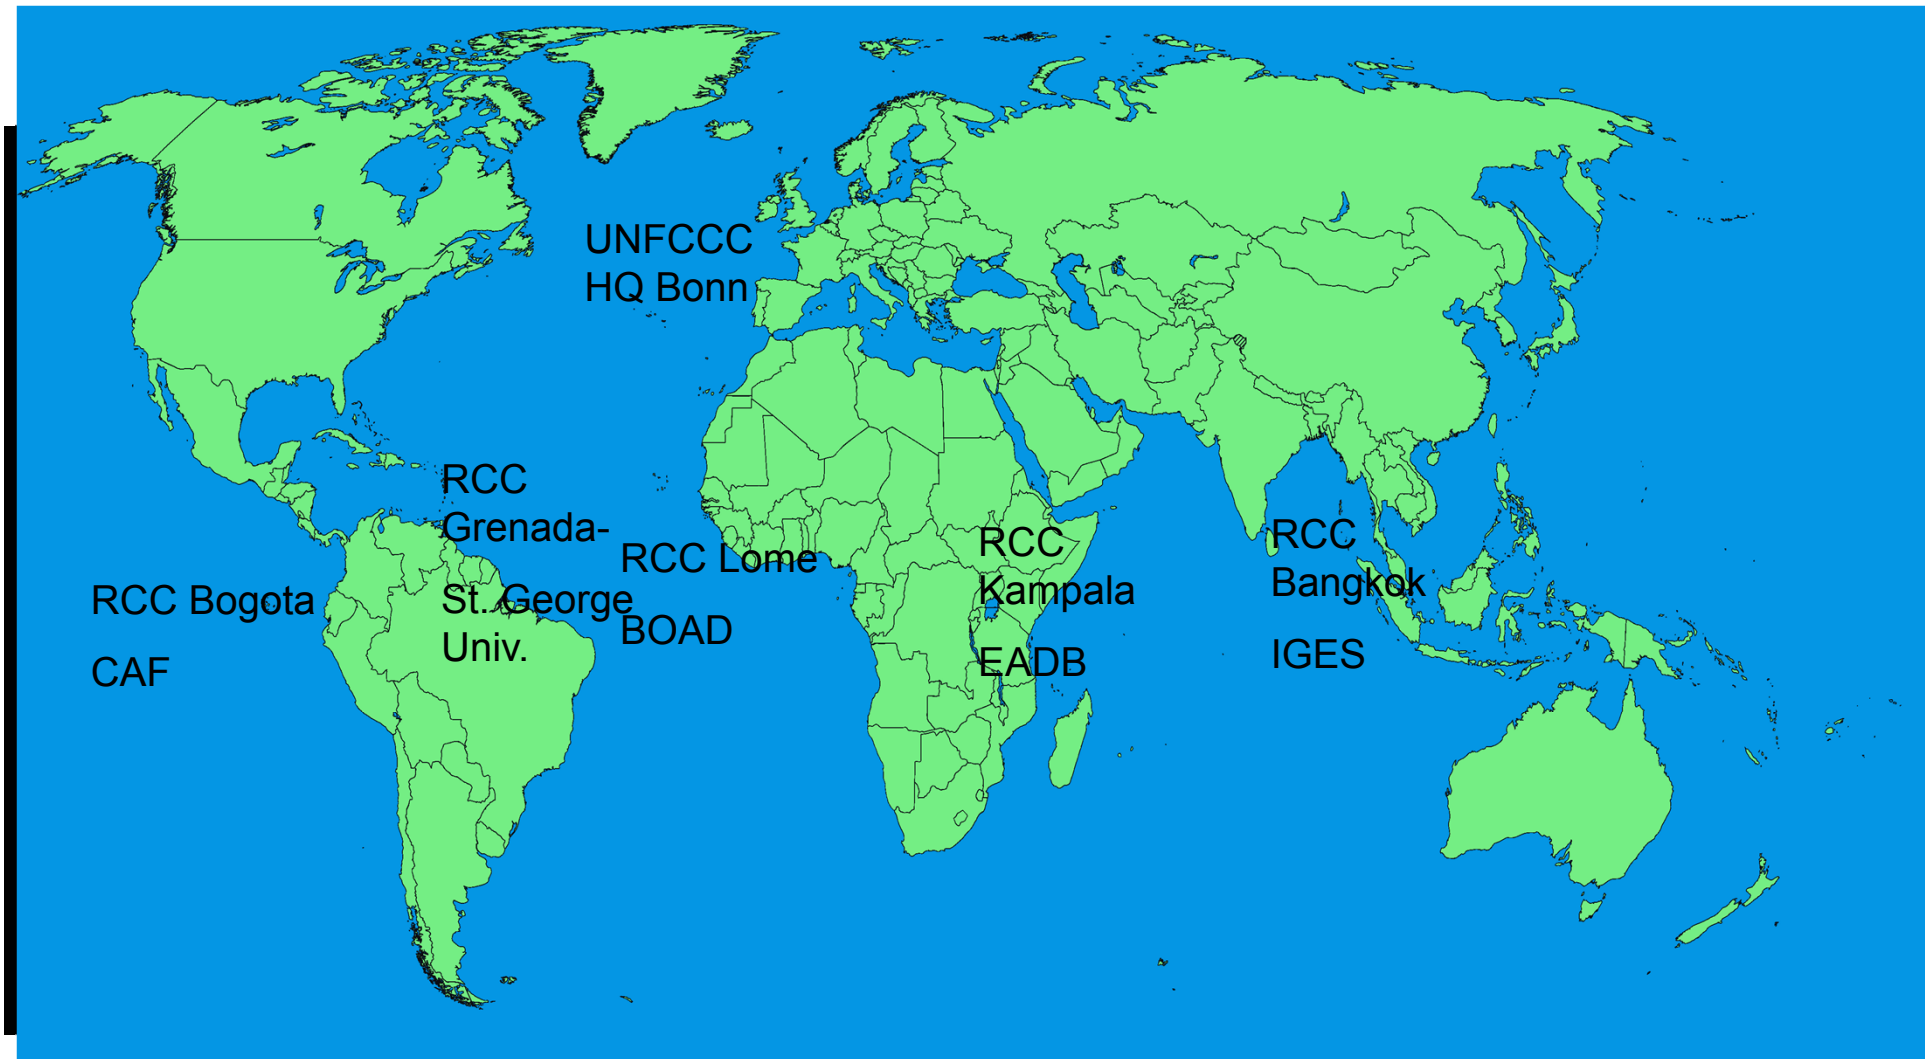

Benita Gurung, UNFCCC-Regional Collaboration Center-Bangkok

RCC

The RCCs are designed to help under-represented regions increase their attractiveness and potential for CDM, by building their capacity and reducing the risk for investors. These centres are intended to support the identification of CDM projects, provide assistance for the design of such projects, address issues identified by validators, and offer opportunities to reduce transaction costs.
