

**Annex 45****Issuance****Scope of the review on
“Bandeirantes Landfill Gas to Energy Project (BLFGE) (0164)”**

1. The Board agreed to undertake a review of a request for issuance for project activity; “Bandeirantes Landfill Gas to Energy Project (BLFGE) (0164)” related to the monitoring period 23 December 2003 - 28 February 2006.
2. The Board agreed that the scope of the review relating to issues of incompetence shall cover:
 - (a) an assessment of whether the monitoring methodology has been applied correctly, in particular with respect to the requirement to monitor the operation and the efficiency of the flare.
3. The Board nominated Mr. Rajesh Kumar Sethi (lead), Mr. Hans Jürgen Stehr and Ms. Natalia Berghi as members of the Review Team of this case. The review team may call on outside expertise in consultation with the Chair of the Board, as appropriate.
