

**Annex 12****Registration****Scope of the review on
“Blended Cement Project with Fly Ash – Lafarge India Private Limited ” (0715)**

1. The Board agreed to undertake a review of the project activity “Blended Cement Project with Fly Ash – Lafarge India Private Limited” (0715).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover an assessment to determine the additionality of the proposed project activity, in particular:
 - a) the existence and significance of barriers to increasing the level of fly ash in blended cement from the then existing practices; and
 - b) how the CDM revenues would help the company, taking into account cost savings, in the project.
