

**Annex 40**

**Registration**

**Scope of the review on  
“LG Chem Naju plant fuel switching project” (1185)**

1. The Board agreed to undertake a review of the project activity “LG Chem Naju plant fuel switching project” (1185)
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover an assessment to determine whether the approved methodology AMS-III.B version 10 has been applied correctly, in particular with regard to the monitoring of heat output in accordance with paragraph 8 of the approved methodology.
