

**Annex 44****Issuance****Scope of the review on****“Optimum utilisation of clinker by PPC production at Binani Cement Limited,Rajasthan”(0361)**

1. The Board agreed to undertake a review of the project activity “Optimum utilisation of clinker by PPC production at Binani Cement Limited,Rajasthan” (0361).
2. The Board agreed that the scope of the review relating to issues associated with verification requirements shall cover an assessment to determine whether the DOE has appropriately verified if the addition of new grinding facilities is in accordance with the registered project design document and if the operation of the new facilities would impact the emissions of the project activity in accordance with the methodology ACM0005 version2.
