

**Annex 10****Registration****Scope of the review on
“Fundão-Santa Clara Energetic Complex Project (FSCECP)” (1279)**

1. The Board agreed to undertake a review of the project activity “Fundão-Santa Clara Energetic Complex Project (FSCECP)” (1279).

The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover an assessment to determine the additionality of the project activity, in particular:

- (a) the investment and sensitivity analyses,
- (b) the adequacy of the common practice analysis, and
- (c) the prior consideration of the CDM.
