

**Annex 35****Registration****Scope of the review on  
“Waste Heat Recovery and Utilisation for Power Generation Project of Digang Conch Cement  
Company Limited ” (1672)**

1. The Board agreed to undertake a review of the project activity “Waste Heat Recovery and Utilisation for Power Generation Project of Digang Conch Cement Company Limited ” (1672).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review of:
  - (a) the additionality of the project activity through an assessment of the suitability of the benchmark, in particular, whether it has been applied for similar projects with similar risks;
  - (b) the additionality of the project activity through an assessment of the suitability of the input values; and
  - (c) the application of the baseline methodology, through an assessment of the economic comparison of the alternatives that do not face prohibitive barriers, in particular, the application of the fixed input values used in the economic comparison.
