

**Annex 18****Registration****Scope of the review on  
“Ceran’s 14 de Julho Hydro Power Plant CDM Project Activity” (1829)**

1. The Board agreed to undertake a review of the project activity “Ceran’s 14 de Julho Hydro Power Plant CDM Project Activity” (1829).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity, through an assessment of the common practice analysis, in particular, the scale of similar project activities and exclusion of two similar projects, as the selected projects are from 100 MW to 180 MW and one of the excluded projects is in operation since 2001 and thus represents similar business environment as that of project activity and the other one which is withdrawn from CDM registration.
