

**Annex 21****Registration****Scope of the review on****“Integrated Energy Ltd. Grid Connected Electricity Generation Plant using Natural Gas”  
(1870)**

1. The Board agreed to undertake a review of the project activity “Integrated Energy Ltd. Grid Connected Electricity Generation Plant using Natural Gas” (1870).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the applicability of methodology through an assessment of the selection of baseline alternative, as similar level of services between the proposed project activity and the coal power plant alternative need to be further substantiated.
