

**Annex 24**

**Registration**

**Scope of the review on  
“Jincheng Sihe Coal Mine CMM Generation Project ” (1896)**

1. The Board agreed to undertake a review of the project activity “Jincheng Sihe Coal Mine CMM Generation Project” (1896).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover an assessment to determine the additionality of the project activity through an assessment of the suitability of the 15% IRR benchmark value, as it is unclear how the application of the coal mining sector rather than the power sector benchmark is documented and confirmed.
