

**Annex 27****Registration****Scope of the review on
“China Guangdong Shenzhen Qianwan LNG generation project” (1915)**

1. The Board agreed to undertake a review of the project activity “China Guangdong Shenzhen Qianwan LNG generation project” (1915).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity through an assessment of sensitivity analysis, in particular, why it is unlikely to increase the electricity tariff by 6.5%, as according to the DOE’s response electricity tariff has already gone up by 3.2% during 2006-2008.
