

**Annex 32****Registration****Scope of the review on
“Langxiang 30 MW Hydro Power Project in Guizhou Province China” (1941)**

1. The Board agreed to undertake a review of the project activity “Langxiang 30 MW Hydro Power Project in Guizhou Province China ” (1941).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity through an assessment of:
 - (a) the start date of the project activity and prior consideration of the CDM, as the DOE has acknowledged that these issues have not been substantiated; and
 - (b) the suitability of the input values to the investment analysis as per EB 38, paragraph 54(c) including the investment made prior to start date of the project activity.
