

Annex 38

Registration

**Scope of the review on
“Yunnan Nujiang Fugong Guquan River Hydropower Station” (2006)**

1. The Board agreed to undertake a review of the project activity “Yunnan Nujiang Fugong Guquan River Hydropower Station” (2006).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review of the investment analysis, as the assumptions regarding the net electricity exported to the grid have not been substantiated.
