

**Annex 54****Registration****Scope of the review on
“8.75 MW Wind Power Project by Taurian Iron & Steel Company Private
Limited in District” (2163)**

1. The Board agreed to undertake a review of the project activity “8.75 MW Wind Power Project by Taurian Iron & Steel Company Private Limited in District” (2163).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover an assessment to determine the additionality of the project activity through an assessment of the suitability of the benchmark, as the applied beta value (2.04) has not been fully substantiated due to its origin and that it is substantially higher than the value applied in similar project activities.
