

**Annex 56****Registration****Scope of the review on  
“Zuo XI Hydropower power plant” (2214)**

1. The Board agreed to undertake a review of the project activity “Zuo XI Hydropower power plant” (2214).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity through an assessment of prior consideration of the CDM, as it has not been demonstrated that real and continuing actions were taken to secure the CDM status for the project activity in parallel with the implementation of the project activity.
