

**Annex 48****Registration****Scope of the review on  
“Surac Bagasse Plant Project” (2231)**

1. The Board agreed to undertake a review of the project activity “Surac Bagasse Plant Project” (2231).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to determine:
  - (a) the additionality of the project activity through an assessment of the selection of the most economical alternative; and
  - (b) the applicability of the methodology through an assessment of the surplus biomass available in the region, and the use of the coal boiler in the monitoring plan and project boundary.
