

**Annex 46****Registration****Scope of the review on
“Energy Efficiency Measures at Desalination Plant in Chennai” (2411)**

1. The Board agreed to undertake a review of the project activity “Energy Efficiency Measures at Desalination Plant in Chennai” (2411).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess:
 - (a) The additionality of the project activity through an assessment of the barriers faced by the project activity, since the prevailing practice barrier has not been sufficiently demonstrated; and
 - (b) The baseline of the project activity through an assessment of the values used to calculate the energy savings and emission reductions.
