

**Annex 59****Issuance****Scope of the review on
“Jinxiang – Golden Elephant Line 1 N₂O Abatement Project” (1455)**

1. The Board agreed to undertake a review of the project activity “Jinxiang – Golden Elephant Line 1 N₂O Abatement Project” (1455).
2. The Board agreed that the scope of the review relating to issues associated with verification requirements shall cover an assessment to determine:
 - (a) how the DOE has verified that the measures undertaken by the PP are appropriate and sufficient quality assurance for the AMS (automated measuring system) since the QAL1 certification was not performed by an accredited independent party and reasons as to why a request for deviation was not submitted; and
 - (b) whether the baseline N₂O emission factor has been correctly calculated.
