

**Annex 31****Registration****Scope of the review on  
“V.P. Farms Pig Manure Methanisation, Methane Recovery and Energy  
Production Project” (2218)**

1. The Board agreed to undertake a review of the project activity “V.P. Farms Pig Manure Methanisation, Methane Recovery and Energy Production Project” (2218).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the proposed project activity through an assessment of the barrier analysis as neither the financial nor the technological barriers were adequately assessed in the response to the request for review.
