

**Annex 46****Registration****Scope of the review on  
“Tianfu Coalmine Methane Project” (2418)**

1. The Board agreed to undertake a review of the project activity “Tianfu Coalmine Methane Project” (2418).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the:
  - (a) Additionality of the project activity through an assessment of:
    - (i) Suitability of the input values to the investment analysis, in particular, assumed CMM price, cost of pipeline material, cost of meters and measuring equipment, and annual maintenance cost; and
    - (ii) Common practice analysis, in particular, how the criteria to identify the similar projects have been deployed and appropriateness of limiting the common practice analysis to Chongqing Municipality; and
  - (b) Application of the methodology through an assessment of suitability of the data vintage used to calculate the combined margin emission factor as the DOE has not addressed the issue of data vintage.
