

**Annex 51****Registration****Scope of the review on  
“Jiangxi Gongge 15MW Hydropower Project, China” (2433)**

1. The Board agreed to undertake a review of the project activity “Jiangxi Gongge 15MW Hydropower Project, China” (2433)
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the proposed project activity, through an assessment of:
  - (a) The investment analysis, in particular the difference between the annual electricity generation cited in the PDD (55,300 MWh) and the annual electricity delivered (58,212 MWh) used in the spreadsheet submitted; and
  - (b) The actions taken to secure CDM status for the project activity in parallel with its implementation, in particular the nature and outcomes of meetings between the CDM consultant and the project owner held in May 2005, March 2006 and July 2007.
