

**Annex 38****Registration****Scope of the review on  
“Sichuan Tiejue 25 MW Hydro Power Project” (2565)**

1. The Board agreed to undertake a review of the project activity “Sichuan Tiejue 25 MW Hydro Power Project” (2565).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the:
  - (a) Additionality of the project activity through an assessment of the:
    - (i) Total investment cost, in particular, whether the assumed costs reflect only those related to the proposed CDM project activity and whether they have been calculated in line with the requirements of EB 41, Annex 45, para 7; and
    - (ii) Prior consideration of CDM, as the equipment purchase agreement has not been suspended; and
  - (b) Application of the baseline methodology through an assessment of the baseline alternatives, as the reason for exclusion of the alternative of not investing in the project activity has not been sufficiently justified.
