

**Annex 46****Registration****Scope of the review on
“Tianjin TEDA Sewage Methane Recovery Project” (2676)**

1. The Board agreed to undertake a review of the project activity “Tianjin TEDA Sewage Methane Recovery Project” (2676).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity through an assessment of the investment analysis, as the applicability of the benchmark related to “organic chemistry and intermediates production” has not been sufficiently justified.
