

**Annex 36****Registration****Scope of the review on****“Utilization of the heat content of tail gas at PT Cabot Indonesia, Cilegon” (2646)**

1. The Board agreed to undertake a review of the project activity “Utilization of the heat content of tail gas at PT Cabot Indonesia, Cilegon” (2646).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the:
  - (a) Additionality of the project activity through an assessment of:
    - (i) The start date of project activity as per the CDM Glossary of terms;
    - (ii) The continuing and real actions taken to secure the CDM status of the project activity;
    - (iii) Whether the investment analysis is based on the cost estimate at the time of investment decision in line with EB 41, Annex 45 paragraph 6;
    - (iv) Suitability of the input values to the investment analysis;
    - (v) Validation of sensitivity analysis;
    - (vi) Suitability of the benchmark; and
    - (vii) The inconsistency in electricity generation capacity; and
  - (b) Project boundary through an explanation whether the emission reductions due to steam production are to be considered as part of the emission reductions calculations or not.
