

**Annex 49****Registration****Scope of the review on
“31 MW Wind energy project in, India by Grace Infrastructure Pvt Ltd” (2813)**

1. The Board agreed to undertake a review of the project activity “31 MW Wind energy project in, India by Grace Infrastructure Pvt Ltd” (2813)
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review on the additionality of the project activity through an assessment of the investment and common practice analyses, as the suitability of the key input values at the time of investment decision and the rationales for similar wind mills not applying for CDM have not been appropriately justified.

Project 2813	EB 51, Annex 49, 04 December 2009	Decision Class: Ruling Document Type: Scope of Review Business Function: Registration
