

**Annex 62****Issuance****Scope of the review on
“N₂O decomposition project of PetroChina Company Limited Liaoyang Petrochemical
Company” (1238)**

1. The Board agreed to undertake a review of the project activity “N₂O decomposition project of PetroChina Company Limited Liaoyang Petrochemical Company” (1238).
2. The Board agreed that the scope of the review relating to issues associated with verification requirements shall cover a review to determine how an operational rate calculated based on data in year 2004 (91.23%) was appropriate, considering the use of this operational rate may result in a higher yearly adipic production than the validated installed capacity of adipic acid production in the same year, as stated in the PDD (140,000 tons per year).
