

**Annex 46****Registration****Scope of the review on****“Chibi Huaxin Cement 7.5 MW Waste Heat Recovery as Power Project” (2907)**

1. The Board agreed to undertake a review of the project activity “Chibi Huaxin Cement 7.5 MW Waste Heat Recovery as Power Project” (2907).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover a review to assess the additionality of the project activity through an assessment of suitability of input values to the investment analysis, in particular, whether:
 - (a) 876,000 RMB/year of wages and welfare considered in the investment analysis is consistent with a 7.5 MW WHR based power plant; and
 - (b) Grid connection charge or an equivalent fee was being paid by the PP to the grid company in the baseline scenario.
