### COMPLIANCE WITH INDICATIVE TIMELINES FOR DIFFERENT PROCESSES (as of 05/07/2010)

### I. Background

1. The Executive Board, at its fiftieth meeting, considered an assessment of compliance with indicative timelines set by the Board in different processes and requested the secretariat to include in future submissions a visual representation of recent trends.

2. The below data provides information on the compliance with indicative timelines set by the Board in the following processes:

- (a) Unsolicited communications submitted to the Board;
- (b) Accreditation of Operational Entities;
- (c) Methodologies for CDM project activities;
- (d) Registration and issuance.

## II. Unsolicited submissions

Since the beginning of the year (EB52 to EB55), 61 unsolicited submissions have been received. While the number of submissions steadily increases, the secretariat continously explores alternative ways to reduce the backlog and to efficiently handle new submissions.
