

DRAFT WORK PROGRAMME - AFFORESTATION AND REFORESTATION WORKING GROUP – FIFTEENTH MEETING

UNFCCC Headquarters - Bonn, 04 - 08 July 2007

Wednesday, 04 July 2007

1. Welcome and organizational matters

2. Brief update from the Executive Board 32 meeting

3. A/R CDM related cooperation with FAO

4. Consideration of resubmitted cases

- a. ARNM0028-rev: "Reforestation on degraded land for sustainable wood production of woodchips in the eastern coast of the Democratic Republic of Madagascar"
- b. ARNM0024-rev: "San Nicolás CDM Reforestation Project"

Break

5. Other matters related to methodologies

- a. Draft methodological tool for accounting GHG emission from oxidation of pre-project herbaceous vegetation
- b. Draft methodological tool for accounting GHG emission from displacement of grazing activities

Lunch

5. Other matters related to methodologies

- c. Draft methodological tool for accounting GHG emission from transportation
- d. Draft methodological tool for excluding/including soil organic carbon pool

Break

- e. Draft methodological tool for estimating whether the overall accuracy for calculation of biomass at the stated accuracy level has been achieved

- f. Identification of tools useful for consolidation of approved A/R methodologies

Adjourn

Thursday, 05 July 2007

5. Other matters related to methodologies

- g. Consideration of revision of the AR-AMS0001 (Version 03) methodology

Break

- h. Consideration of draft small scale A/R methodology for conversion of "settlements" to forested lands
- i. In-meeting working time.

Adjourn

Friday, 06 July 2007

6. Presentation of results and identification of further steps in development of the tools

- a. Draft methodological tool for accounting GHG emission from oxidation of pre-project herbaceous vegetation
- b. Draft methodological tool for accounting GHG emission from displacement of grazing activities
- c. Draft methodological tool for accounting GHG emission from transportation
- d. Draft methodological tool for excluding/including soil organic carbon pool
- e. Draft methodological tool for estimating whether the overall accuracy for calculation of biomass at the stated accuracy level has been achieved

- f. Identification of tools useful for consolidation of approved A/R methodologies

Break

- g. Consideration of revision of the AR-AMS0001 (Version 03) methodology
- h. Consideration of draft small scale A/R methodology for conversion of "settlements" to forested lands
- i. In-meeting working time.

Adjourn

Saturday, 07 July 2007

7. Other matters related to methodologies

- a. In-meeting working time.

Adjourn

Sunday, 08 July 2007

8. Finalization of resubmitted cases

- a. ARNM0028-rev: "Reforestation on degraded land for sustainable wood production of woodchips in the eastern coast of the Democratic Republic of Madagascar"
- b. ARNM0024-rev: "San Nicolás CDM Reforestation Project"

9. Finalization of other matters related to methodologies

- a. Draft methodological tool for accounting GHG emission from oxidation of pre-project herbaceous vegetation
- b. Draft methodological tool for accounting GHG emission from displacement of grazing activities
- c. Draft methodological tool for accounting GHG emission from transportation

Break

- d. Draft methodological tool for excluding/including soil organic carbon pool
- e. Draft methodological tool for estimating whether the overall accuracy for calculation of biomass at the stated accuracy level has been achieved

- f. Identification of tools useful for consolidation of approved A/R methodologies
- g. Consideration of revision of the AR-AMS0001 (Version 03) methodology
- h. Consideration of draft small scale A/R methodology for conversion of "settlements" to forested lands

Lunch

10. Consideration and adoption of the Final Report

Adjourn
