

**Annex 30****Registration****Scope of the review on
“San Ramón Rural Electrification project” (0964)**

1. The Board agreed to undertake a review of the project activity “San Ramón Rural Electrification project” (0964).
2. The Board agreed that the scope of the review relating to issues associated with validation requirements shall cover an assessment to determine:
 - (a) The additionality of the proposed project activity, in particular:
 - (i) Whether the project would have been financed without the benefit of the CDM,
 - (ii) Whether the project activity started before 1 January 2000, and
 - (b) whether the methodology is applicable to the project activity due to the possible capacity expansion.
