Sub: Reference : Response to the issuance request for review for
"Bagasse based power project at Jamkhandi Sugars Limited, Bagalkot,
Karnataka" (0282)

Dear Sir,

Jamkhandi Sugars Limited (JSL) would like to thank the CDM executive board and the secretariat for giving us the opportunity to clarify on the requests made on our monitoring report of our 6.3 MW bagasse based cogeneration project. We would like to assure you that we have been transparent in providing all the relevant information with regard to the queries raised.

We clarify and give our responses to your requests:

Request for review no.1, 2 & 3

Monitoring practices did not match with the frequency of the monitoring parameters as indicated in the monitoring plan in PDD as explained below:

- 1. Fuel : Bagasse Quantity: PDD mentions that it is hourly, it is practiced on a daily/monthly basis.**
- 2. Fuel : Biomass other than bagasse quantity : PDD mentions that it is hourly, it is practiced on a daily/monthly basis.**

JSL Response: Due to practical difficulties, the bagasse quantity consumed by the power plant was being monitored daily as against the hourly frequency mentioned in the PDD. However subsequent to the verification

Ref. No. 18/14570/1993/ dt. 26-7-1993

Jamkhandi Sugars Ltd..**ಜಮಖಂಡಿ ಶುಗರ್ಸ್ ನಿ. ಜಮಖಂಡಿ.**M.D. : 254160, OFF : 254162, 254163 STD : 08353

process of the project and the Forward Action Request raised by the DOE, JSL have initiated monitoring of the bagasse consumption by the power plant hourly. Sample copies of hourly monitoring records of bagasse consumption have been forwarded to the DOE and are also enclosed for your kind reference. Similar records for hourly consumption of biomass other than bagasse, if used, will also be maintained.

JSL would also like to request the board that a deviation in the frequency of monitoring the bagasse quantity (i.e. daily instead of hourly) does not affect the quantity of CER's claimed as the CER's are related only to the power exported and hence request the board to kindly issue the CER's.

We hope the above clarifications are in line with your requirements and we sincerely look forward to the issuance of the CERs. Should you need any further clarification, you could contact the undersigned on 91 8353 254160 or + 91 9448439881.

Warm Regards

Mr. S.Srinivasan
Managing Director,
Jamkhandi Sugars Limited
