Sub.: CDM Project Activity – "SESA - Waste Heat Recovery Based Power Generation" (0535) - Review Request for Issuance

Ref.: E-mail dated October 8, 2008 from CDM Issuance of CERs

Dear Sirs,

This refers to the e-mail of 8th October 2008 from the CDM Section notifying that the subject CDM Activity is under review for the Request for Issuance of CERs.

Our responses to the Request for Review have been submitted on 20th October '08 to the DOE – SGS United Kingdom Ltd., for their verification and certification and onward submission to the CDM Executive Board.

Kindly note the particulars of the contact persons for the review process have already been communicated to the CDM team vide my e-mail dated 20th October '08.

We shall be thankful for a favourable consideration.

Best regards,

Yours faithfully,
for SESA GOA LIMITED

Amit Pradhan
Director – Services
