Dated 06.10.2006

INSPECTION CERTIFICATE

(BOILERS)

Upon the request of Shri Neeraj Agarwal, Chief Engineer of M/s DSM Sugar Asmoli, Distt. Moradabad, the undersigned visited the plant on 05.10.06 to inspect the boilers installed in the unit. The boilers were physically examined and necessary records checked for the above said purpose. After completion of the assignment, I have to report as here under:-

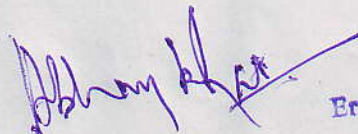

1. Date of inspection : Conducted on 05.10.06 at Asmoli.
2. Name of owner : DSM Sugar, Asmoli, Distt. Moradabad.

Details of Boilers

<u>S.No.</u>	<u>Description & Specification</u>	<u>Identification no.</u>	<u>Yr. of installation</u>
01.	80 TPH, 64 Kg/cm sq., Temp, 480 D.C., BW Boiler, H.S.2815 mtr.Sq.	MP 3009	1994-95
02.	80 TPH, 64 Kg/cm sq., Temp, 480 D.C., BW Boiler, H.S.2428 mtr.Sq.	GT 759	1995-96

Remarks & Observations:-

01. All parts of the above noted boilers have been visually checked and found to be in satisfactory working condition.
02. The present external condition of the boilers listed above has been found to be good to the extent that expected residual life of the same is approximately 15 years at 8000 operation hour per year.
