**Sub:- Carbon Emission Reduction Units generated by your 6.60 MW
Wind Farm in Karnataka**

Dear Mr. Garg,

I am forwarding you a draft agreement of the transfer of CERs for which, we hope we will be able to make a good realization for your project, which shall result in an additional revenue stream of cash generation from your 6.60 MW Wind Farm project for a period of 10 years.

Kindly accord your concurrence to the draft agreement and on receiving the same, we shall send you the final agreement for your signature.

The earlier we could move forward, the faster we could start realizing sale of CERs.

Thanking you,

Yours faithfully,
For **Enercon (India) Limited**

Yogesh Mehra
Managing Director
