Subject: Regarding CDM benefit
Date: Thu, 4 May 2006 12:50:27 +0530

Dear Sir,

We are glad to introduce ourselves as Malpani Group of Industries based at Sangamner near Nashik.

We have in process of setting up a Wind Power Project of 15 MW (12 nos. of windmills of 1.25 MW each, SUZLON make) in the districts of Nandurbar / Dhulia in the state of Maharashtra.

Out of these 12 nos. of windmills, 8 nos. of windmills are already commissioned and started commercial production since 31st March 2006. The remaining 4 nos. of windmills are expected to be commissioned before 31st May 2006.

Kindly note that, each of these windmill is expected to generate appx. 24 lacs units per annum i.e. total expected generation of these 12 windmills will be appx. 288 lacs units per annum.

We wish to apply this project for CDM benefit.

Please send us your brief proposal regarding the same.

Thanking you, with regards...
